The purpose of the public hearing is to discuss the Community Development Block Grant (CDBG) project selection and the 3-Yr Plan for Indiana County for both the entitlement and competitive programs. The hearing will discuss the selection of activities and why any proposed activities were not selected for funding. The County of Indiana will receive an allocation of approximately \$285,495.00 of 2023 CDBG funds from the Commonwealth of Pennsylvania. In addition, the County of Indiana anticipates the receipt of no program income during the 2023 program year. At least 70% of the available funding must be used for activities which benefit low-and-moderate income persons. The proposed activities must benefit at least 51% low-moderate income persons in the service area to qualify as a low-moderate income project. The PA Department of Community and Economic Development (DCED) has announced the entitlement application submission deadline of October 27, 2023.

If the County of Indiana would undertake activities that result in the displacement of families or individuals, then the County of Indiana's policy for minimizing such displacement would be in effect. The County of Indiana is responsible for replacing all low-and-moderate income housing units that may be demolished or converted as a result of the use of CDBG funds.

All interested citizen are encouraged to attend and will be offered the opportunity to give oral testimony at the public hearing and/or to present written comments concerning the proposed CDBG activities and 3-Yr Plan, the selection process and any other questions related to the CDBG program.
